Monitoring form questions

Interim Monitoring Report

- Please could you update us on the work undertaken and progress made against the outcomes specified in your original application.
- Did this work differ from what you set out to do? If so, in what way?
- Did you have any unexpected successes? If so, what factors do you attribute these to?
- What, if anything, has not gone so well - and what have you learnt from this?
- What evaluation methods are you using to determine the effectiveness of this work?
- What impact is this work having so far and are you likely to change how you deliver it in the coming year?
- Is there anything else you would like to share with us at this stage?

Final Monitoring Report

- Please update us on the work undertaken and how you have done against the projected outcomes specified in your original application.
- Did this work differ from what you set out to do? If so, in what way?
- Did you have any unexpected successes? If so, what factors do you attribute these to?
- What, if anything, has not gone so well - and what have you learnt from this?
- What evaluation methods have you used to determine the effectiveness of this work?
- What impact is your work having so far and will it continue to be delivered by your charity in the future?
- Is there anything else you would like to share with us at this stage?
- Do you have any comments that you would like to share about our grant application and reporting process, and your dealings with us?
